

US(3) As Cyrus Brown (a university student who is not registered), I want to register so I can use the schedule planner. (9)

US(4) As Cyrus Brown (a university student who is registered), I want to login so I can use the schedule planner. (9)

US(5) As Logan Sherwood (a working parent who is registered), I want to be able to click a button to be able to logout so that I can ensure my entries aren't changed. (9)

US(6) As Logan Sherwood (a working parent who is registered), I want to be able to see an overview of my schedule and optimized schedule so I can make an active decision about what to do next. (8)

US(7) As Stella Woods (a working adult who is registered), I want to be able to see my inputted habits on a calendar so I can have a visual representation of my current schedule. (8)

US(8) As Logan Sherwood (a working parent who is registered), I want the app to create my schedule by reorganizing my daily habits/activities so that I have an improved schedule for the week. (7)

US(9) As Stella Woods (a working adult who is registered), I want to be able to see my fully optimized schedule for the day/week so that I may follow my new schedule for the week. (7)

US(10) As Cyrus Brown (a university student who is registered), I want the schedule to indicate what my last added activity was so that I can keep track of my schedule accurately. (7)

US(11) As Stella Wood (a working adult who is registered), I want to be able to see my habits with different colors for different priorities so that I have an easy visual indicator for what I need to prioritize. (7)

US(11) As Stella Woods (a working adult who is registered), I want to be able to re-prioritize my daily habits/activities so that the app can adjust my schedule accordingly. (6)

US(12) As Cyrus Brown (a university student who is registered), I want to be able to add/remove daily activities so that I can reflect last minute changes on the schedule. (6)

US(13) As Cyrus Brown (a university student who is registered), I want to be able to view my schedule by date/week so I can be flexible with planning and viewing activities. (5)

US(14) As Cyrus Brown (a university student who is registered), I want to be able to add activities scheduled at any given day/time so that I can enter planned activities ahead of time. (5)

US(15) As Stella Woods (a working adult who is registered), I want to be able to set a habit/activity as repeating weekly so that I don't have to put in the same task daily or weekly every time. (4)

US(16) As Stella Woods (a working adult who is registered), I want to be able to manually edit the schedules given by the app so that I can make sure my schedule is appropriate for me in case the schedule makes a mistake. (4)

US(17) As Logan Sherwood (a working parent who is registered), I want the app to be able to set breaks between activities so that I don't end up doing activities for hours on end without any breaks in-between activities. (3)

US(18) As Logan Sherwood (a working parent who is registered), I want to be able to set certain daily habits/activities to be time-gated so that my schedule does not have me eating breakfast at 10pm. (3)

US(19) As Cyrus Brown (a university student who is registered), I want to be able to see daily/weekly trends of my activities so that I have a visual indicator of my habits. (2)

US(20) As Logan Sherwood (a working parent who is registered), I want the ability to allow the app to send me notifications for my high priority items so that I am reminded to stick to my improved schedule accordingly. (1)
